Sporting event

Today many people like to do anything. It can be walking in the park, reading the book, going with friend in a trip. But, I think, that more interesting activities is a sport.

When I am 16 years old I starting to take part in such sport as volleyball. It is very interesting. Some month later I know that in our country you can take part in volleyball event. It is going twice: in summer and winter.

Usually, it is starting in 10:00 o'clock in the court of the place where you can going to sport section. I am always went in there event because I loving volleyball all my heart.

In the event I like some things. Firstly, on this event you can find a new friends. They always happy to get a friendship with you and they all a very kind people who can help you in a trouble. Secondly, you can get fun when you play in volleyball or watching for it. This event has a very warm atmosphere. This is a

a reason why volleyball playing is a very interesting and not boring.

In the end I can say that people of my age should take part in volleyball event, because, firstly, for him it is can be a something new. Secondly, it is better to take part in sport competition than stay at home and play mobile or computer games.
